

Today's Gift of Happiness from
Wildly Happy World
www.wildlyhappy.com

Today's the day to embrace life!

Take a walk, ride a bike
Sing karaoke with a mike
Sleep outside and watch the stars
Imagine you flew and came from mars

Live your life without a care
Dance the tango if you dare!
Have a massage from a hippy and
eat ice-cream till it's really drippy!

Why wait?
Your happiness starts with a choice!
Choose to create the life you'd love today
Ready...set...go!
