

Today's gift of happiness...

Happiness is within...

It's the noisy one made quiet, it's the cheeky one contained, it's the playful one resisted, it's the laughing one shushed, it's the running one that walks, the song inside that whispers, the voice of truth that's swallowed and the gifts you're afraid to share!

Maybe it's time to turn inside out and do the fandango kiddo!
