WE HAVE A WINNER!

It's a weird world!

Here are a few Mondayitis facts about the weird world we live in! Great conversation starters...did you know....?

- The first ring donuts were produced in 1847 by a 15-year-old baker's apprentice, Hanson Gregory, who knocked the soggy centre out of a fried doughnut.
- The world's costliest coffee (at \$130 a pound) is called Kopi Luwak. It is in the droppings of a type of marsupial that eats only the very best coffee beans. Plantation workers track them and scoop their precious poop. Mmmm, fancy a morning coffee break on this gorgeous Monday!
- There is a disease called "swallowers disease". Although not officially recognized by science it certainly affects people. Here are some recent examples:

- Exploratory surgery on a 42 year old Canadian women who complained of a sore stomach yielded 2533 objects! Including 947 bent pins. Whew! Scary huh?
- The stomach of a South African man contained 212 objects, amongst them 53 toothbrushes, 2 razors and 150 handles off disposable razors and 2 telescopic TV antennas. (You've got to be kidding!)

It doesn't stop there – animals too have been known to suffer from swallower's disease.

- When London zoo vets performed an autopsy on an Ostrich they found part of a rolled gold necklace, a coin, parts of a plastic comb, the key to wind an alarm clock, three gloves, 2 handkerchiefs and two collar studs!
- And ... a shark caught off Antigua yielded a human skull, a pair of suede shoes and a copy of St Johns Gospel printed on plastic!

The Innocence of a Child!

Check out these comments made by children in answer to a few adult type questions!

1. HOW CAN A STRANGER TELL IF TWO PEOPLE ARE MARRIED?

You might have to guess, based on whether they seem to be yelling at the same kids. -- Derrick, age 8

2. WHAT DO MOST PEOPLE DO ON A DATE?

On the first date, they just tell each other lies and that usually gets them interested enough to go for a second date. -- Martin, age 10

3. WHAT WOULD YOU DO ON A FIRST DATE THAT WAS TURNING SOUR?

I'd run home and play dead. The next day I would call all the newspapers and make sure they wrote about me in all the dead columns. -- Craig, age 9

4. WHEN IS IT OKAY TO KISS SOMEONE?

When they're rich. -- Pam, age 7

The rule goes like this: If you kiss someone, then you should marry them and have kids with them. It's the right thing to do. -- Howard, age 8

5. IS IT BETTER TO BE SINGLE OR MARRIED?

It's better for girls to be single but not for boys. Boys need someone to clean up after them. -- Anita, age 9 (bless you child – you have sooooo much too learn!)

6. HOW WOULD YOU MAKE A MARRIAGE WORK?

Tell your wife that she looks pretty, even if she looks like a truck. -- Ricky, age 10 (Blue ribbon winner!)

**AND JUST BECAUSE WE CAN...WE'LL FINISH WITH THIS TRUE STORY OF
– THE INTELLIGENT ROBBER?**

- Police in Los Angeles had good luck with a robbery suspect who just couldn't control himself during a line-up. When detectives asked each man in the line-up to repeat the words, "Give me all your money or I'll shoot," the man shouted, "That's not what I said!"

Well that's about it for Mondayitis!
