

LEARN SELF HYPNOSIS

LEARN SELF HYPNOSIS

The Secret to Success Design Your Mind Expand Your Life

Learn the techniques that elite athletes and highly successful people all over the world use to design and focus their mind to create their dreams.

Superstars of the Sporting World, Entrepreneurs, Business Professionals and Successful Minds around the world speak of their ability to focus their mind, 'feel' and 'see' their dreams long before those dreams actualize.

The Focused Hypnotic State is the key to Designing Your Mind

Learn simple & effective techniques to :

- Increase Self-Worth & Confidence
- Overcome Fear & Emotional Blocks
- Conquer Self-Sabotage & Procrastination
- Release Stress & Anxiety
- Create Balance & Wellbeing
- Master Self Healing Techniques
- Improve Sporting Technique & Focus
- Reach deep states of Meditation easily

Course includes a variety of easy to learn techniques. You will be able to take yourself to deep states of self-hypnosis by lunchtime. Then spend the day learning techniques to release negativity, improve focus & confidence, build motivation, heal your body & develop personal strengths.

By the end of the day

You will reach deep states of hypnosis within seconds with the use of your own personalised self-hypnotic code

You will be able to control the depth of your experience and bring yourself easily out of Hypnosis every time

You will master a variety of effective tools to continue your personal growth and healing

You will experience self-hypnosis many times

You will learn how to clear issues before you leave

You will understand why hypnosis is so effective

You will understand how to use the tools to achieve your goals

What to Expect

Positive tools for Growth & Development!

Inspiration...Direction...and of course...Motivation to Take Action!

LEARN SELF HYPNOSIS — The Secret to Success

Your Course Tutors

Maggie Wilde is a Master Practitioner in Clinical Hypnotherapy & NLP. She teaches the Practitioner Level Clinical Hypnotherapy at the Certificate IV and Diploma Levels and regularly speaks at festivals and conferences around the country. She has operated a number of Hypnotherapy & Coaching Centres on The Sunshine Coast, Brisbane and The Gold Coast for many years and runs regular Workshops and Inspirational Coaching Events.
